

TRIED TESTED TRUE SELF SERVING SOLUTIONS

Consult this guide to find ideal self-serving and empowering solutions that have amassed substantial positive outcomes, are supported by scientific studies, and have been validated within our practice using bioresonance principles. Ideal solutions are intrinsically holistic, so this listing will have repeating therapies. We have listed it this way to allow both targeted and whole-body therapies. This listing is oversimplified, as sequencing and timing can be crucial when developing a health recovery regimen.

Hydration

Purify all drinking water with Auro Liquid Gold. It even inactivates and agglomerates fluoride which is rare. These simple drops structure water to a high degree of order and vibration.

Food

Consume food in a low state of entropy and high state of order. This is mainly raw, warm, unprocessed organic foods. Cooking raises entropy and destroys essential digestive enzymes and other nutrients.
